**Write the following paragraph in your English Writing Notebook.**

It was an afternoon of a scorching summer day. The ponds and lakes were almost dry. There was not a bit of cloud visible. The sun was burning hot. A thirsty crow was flying over a long deserted field. The crow looked here and there for well or any shelter. But alas! There was no one nearby. At a distance, the crow found an earthen pot under a tree. His heart became filled with joy, and with much hope, he peeped into it. There was a little water at the bottom of the pot. The crow tried to reach the water with its beak but to no avail. His little beaks could not reach the level of the water.
